### Join us for the Incredible Wines of Italy!

Over the next eight weeks, we'll dive deep into delicious Italian wines. Sample vintages from the foothills of the Alps, home of world-famous Barolo and Barbaresco, to the island of Sicily where grapevines grow on lava flows, to the sun-drenched vineyards of Tuscany and everything in between.

#### **Italian Wine Showcase Schedule:**

Piedmont - (August 2nd - August 13th)

The breathtaking region of Piedmont produces many of the world's top-tier wines including the big, bold reds of Barolo and Barbaresco. For whites, Piedmont's Arnie and Cortese are supremely delectable. Many wine enthusiasts rank Piedmont as the best of Italy, so it's fitting that we start our showcase here.

Tuscany & Alto-Adige - (August 16th - 28th)

Tuscan reds are hugely popular all around the world. Nothing pairs with pasta like Chianti, and Bolgheri is home to the finest 'Super-Tuscans' that have a cult-like following. Alto-Adige produces some of the best Pinot Grigio and other dry whites Italy has to offer.

Central & Southern Italy - (August 30th - Sept 11th)

Campania, Calabria, Puglia, Abruzzo - Central and Southern Italy has an abundance of fabulous wines that hardly anyone knows about. Come discover great wines to pour at your next dinner party that pair perfectly with any food and will delight your friends!

Sicily and Sardinia - (Sept 13th - Sept 25th)
